2025 SPONSORSHIP OPPORTUNITIES

GET TO KNOW PPI

The Purposeful Planning Institute (PPI) is a nonprofit learning center for advisors, consultants, and family office professionals, and a platform for networking and collaboration. Our members are financial advisors, estate planning attorneys, trust officers, wealth managers, family business consultants and coaches, philanthropic consultants and other professionals and consultants serving HNW & UHNW families and families in business.

We understand that non-financial or qualitative factors determine a family's long-term success or failure, and we recognize that providing families with the guidance and tools to enhance their non-financial wealth is a significant opportunity and challenge.

PPI aims to provide resources, tools, and a community of experts to help evaluate a family's non-financial wealth and develop concrete action plans to support their families and family enterprises in areas such as rising gen learning and development, transitioning leadership, governance, intergenerational communication, philanthropy and more.

Most of our members are senior practitioners with decades of experience. Our members have helped families and family enterprises around the world invest in and grow all dimensions of their wealth. They are pioneering the innovative practices that are defining the path to family flourishing.

SOLICITATION GUIDELINES & CODE OF CONDUCT FOR PPI SPONSORS

The Purposeful Planning Institute relies on the generous support of sponsors and strategic partners to achieve our vision of creating a Purposeful Planning Revolution that transforms the way estate and financial planning is done. Aligning yourself with the Purposeful Planning Institute demonstrates that you're an industry leader and committed to mastering and promoting the principles and practices of client-centered planning.

By becoming a sponsor, you are supporting the Purposeful Planning Institute and its mission to educate, empower, and develop family advisors to cultivate family flourishing and individual wellbeing.

It is key to our success to have strategic sponsors who align with our purpose and mission and who in turn will benefit from deeper connections with PPI's membership.

For these reasons, we have developed the following Solicitation Guidelines & Code of Conduct for PPI Sponsors that we ask you to become familiar with. Our goal is to create a safe environment for professional advisors and consultants, family office professionals, and client families that promotes collaboration, openness and sharing. Hard selling is strictly prohibited within the PPI community.

- As outlined in our Sponsorship Opportunities, Corporate Partners are permitted to send a dedicated email broadcast to PPI members, sharing information about their company. Platinum, Gold, and Silver sponsors will be included in a group email broadcast, announcing all event sponsors. All communications from sponsors to PPI members and event attendees will undergo an editorial review process by the Purposeful Planning Institute and will be sent by PPI on behalf of the sponsor.
- PPI will not distribute attendee contact information to sponsors. Sponsors ARE STRICTLY PROHIBITED from using participant lists (and access to Guidebook, the Connecting Point, etc.) for the purposes of direct marketing or solicitation.
- Sponsors are welcome to collect business cards and contact information from event attendees and if that information is given freely sponsors are welcome to follow-up with those individuals and firms to invite them to join the Sponsor's mailing list. Sponsors may offer prizes or special incentives at their booths as a means of collecting business cards. Please note, Canada's Anti-Spam Legislation has strict guidelines around implied consent (giving a business card) and express consent which apply to any Canadian PPI member or event attendee you make contact with, even though that contact occurs in the U.S. Please be sure you are following all national and international anti-spam regulations.
- All attendees (including sponsors) are asked to present a business card only when asked for one. You are welcome to ask another participant for their card, which usually prompts the other individual to offer you their business card or contact information in return.

Failure to adhere to PPI's Solicitation Policy and Code of Conduct may result in the forfeiture of PPI membership and/or being prohibited from attending future PPI events such as the Purposeful Planning Symposium and Rendezvous.
